## Bathroom:

The bathroom in the hall is for your use. On the rare occasion that we have other guests, they would also have access to that bathroom.

## Kitchen:

You have full access to the kitchen area. The black trash can is for recyclables and the white trash can is for trash. There is normally a small space in the cupboard and fridge for your food items. We can accommodate more space upon request. The fridge does have a hard time closing, so be sure to push it firmly to be sure it is closed all the way. You are welcome to use our dishes, silverware, ice, water, keurig, and K-cups. Please leave the kitchen the way you found it (wash dishes, refill ice trays, etc).
